SAPPHIC DESIRES

She was swimming in a mermaid's tail, but there was nothing fishy about her sapphic desires

Lana was swimming when I first saw her. I don't suppose there's anything unusual about that...except, perhaps, for the circumstances under which she was swimming and the outfit she was wearing.

She wasn't swimming in the ocean or in an ordinary swimming pool. She was in a big pool with thick glass sides, cavorting with a couple of porpoises, and she was wearing a bodysuit that made her appear bare on top, though of course I couldn't see more than the shape of her nipples. Below the waist, she wore a mermaid's tail.

Lana and the porpoises were putting on a show in the small-time California amusement park where she worked, and the visitors who crowded around the pool were surely more interested in Lana than in the porpoises. Especially the horny guys who were watching her and drooling. And especially me, too.

Looking around at the guys whose excitement was evident in their pants, I was amused to think that I was just as turned on but, being a girl, had the advantage of my horniness not showing. True, my panties were getting distinctly moist as I creamed them in my rising heat, but I knew I wasn't wet enough for it to soak through my shorts...yet!

Still, I had a continuing and almost-irresistible desire

to rub my throbbing clitty as I watched Lana cavort in the pool. I stuck around far longer than the third-rate show deserved. I didn't care that much about the porpoises, but I wanted very much to see all of Lana that I could. At last it was time for her break. As she climbed out of the pool, I made sure to be near the ladder.

"I really enjoyed the show!" I enthused as she emerged from the pool, dripping wet, her hair a tangled mass of soaked auburn strands.

She flashed me a bright, broad smile. "A fan! How nice!" she said in a warm, honeyed voice. "I'm about to take a break. Want to sit and chat?"

That wasn't exactly what I wanted to do with her, but it would do for now. She guided me around a corner and through a gate, to a bench in a secluded area away from the amusement park's visitors. "So...what did you like best about the show?" she asked.

"You!" I answered boldly.

She laughed. "Are you a swimming enthusiast?"

"No, I'm more of a fan of beautiful girls," I said, my heart in my mouth.

She looked at me, tilted her head sideways, and smiled even more broadly. "A sapphic sister? Wonderful! I'm a fan of beautiful girls too...and I definitely think

you're one. Let's see what else we both admire."

"I admire a well-trained tongue," I said.

Lana licked her lips extravagantly, then extended her tongue as far as she could and flickered it at me. I opened my mouth in a receptive gesture, pursed my lips receptively, and felt my eyes closing as the heat of the moment suffused my body.

I don't know which of us made the first move, but suddenly we were both leaning toward each other, till our lips met, our tongues twined around each other, and Lana and I were caught up in a passionate kiss. Her hand encircled the back of my neck, pulling me closer to her. My hand grasped her back, holding her tighter to me.

"Mmmm," Lana moaned around my tongue.

I broke the liplock to voice an urgent question: "Do you have a dressing room or something here?"

"A trailer," she gasped.

"Let's go," I said.

"I'm on again in half an hour," she said.

"And I hate quickies," I groaned.

"Quickies can be delicious...and we do have almost half an hour."

"Then let's hurry."

Hurry we did, right to Lana's trailer. We stripped quickly, she out of her wet swimsuit and I out of my clothes. I gazed at her body, allowing myself a minute to drink in the visual delight. I judged her boobs to be C-cups, generous without being overfull. Her waist was trim and her thighs strong, as befits a lady who swims for a living, and her arms were lithe and tight. Freckles speckled her shoulders and neck, and her belly had just the slightest hint of a curve, the mark of a lady who enjoys good food but doesn't let her weight get out of hand.

She seemed to be enjoying what she saw too. Her eyes made love to every inch of my 5'6" frame, caressing my curves and lingering on the swell of my breasts—also C-cups.

Then it wasn't just her eyes making love to my breasts. Her two hands reached out and touched my chest, worked their way slowly down, four fingertips on each hand trailing their way down from my collarbone, down to the start of the swell of my breasts, down across the ever-growing expanse of my boobs, down till they reached my nipples.

When the pads of her fingertips touched my areolae, they and my nipples themselves stiffened and grew firm as she teasingly circled my bumpy aureoles, making the flesh harden and the bumps grow more pronounced. Then she lightly pinched my nipples, stroking them as if they were mini-pricks, and I felt my nips stiffen harder

and elongate. Soon they were jutting out like little fingers, and those fingers were pointing right at Lana's nips.

Fair enough—they were pointing the way; I would follow where they pointed.

But instead of using my hands, as Lana had, I cut right to the chase and led with my tongue. That tongue started its travels on her left arm—I do like to tease a little—and worked its slow way up to her shoulder, where it cut across to the hollow of her neck. There I stopped to bestow little kisses and a wee bit of suction before licking my way down to the valley between her breasts. Then I tongue-travelled across and up the mountain, rising up to the peak, till I reached her nipple.

My teeth came into play at that point, and I scraped at her areola as I worked my way across the brown circle and up to the peak of her nipple. There my teeth latched on to the nubbin and gently scraped at the promontory, till I could no longer stand it and had to take the whole thing in my mouth, sucking outrageously as I tried to devour her whole breast.

When Lana cried out in sheer joy, her body trembling and her legs growing weak, I let go of her nipple and tongued my way down her torso till I'd reached her waist. "Yes! Yes! Oh, yes, please, eat me, eat me, lick my pussy!" she called out in agony, and I worked my way

tongued her clitty till she stumbled and nearly fell.

“Go lie down!” I urged huskily. If the truth be told, I was a little unsteady in my own crouched position by then. I needed to get off my feet too. So Lana lay down, and I got on my knees between her spread legs, once again extending my wicked tongue till it touched down on what had been a mini-mount but was now gargantuan, her pulsating, swollen, blood-engorged clitty.

Suddenly the “mermaid” became vocal again. “Eat me! I need it. I want it! I’m so hot! I’ve got to get off. And we haven’t much time. Hurry! Hurry! Get me off!”

Hardly one to ignore a damsel in distress, I plastered my tongue to the tippy-point of her clitty and began to lick with serious intentions. Gone was my teasing, gone were any games, gone was anything but a sincere intention to get the lady off. I flicked my tongue back and forth across her pulsating clit-point as I strove to bring her the satisfaction she so eagerly sought.

And she certainly was seeking it. Her body was writhing, humping, wrestling with unseen demons as she thrust up in the air, humped wildly, while her pussy threw itself upward, strained to come, did everything but turn itself inside-out. She was oozing juices so copiously that my face was bathed in pussy-musk, and the odor and flavor inflamed me to where I was in an agony of need myself.

My pussy-pocket ached. It throbbed mercilessly. It needed relief. I wanted to put my finger to my own clit and just get myself off. But I held back. This was no time to be weak-willed. I was in want of something better—Lana. I only had to wait till she got off, I told myself, and then it would be my turn. And she certainly was going to get off soon. I had no doubt of that. Her every motion, her every moan and groan, her every wild, upward hump told me that. And once she’d had her satisfaction, it would be my turn for mine.

So I increased the speed with which I was licking her, increased the pressure with which my tongue flicked over her clit, increased the urgency with which my hand gripped her thighs as I bore down on her with an urgency born not only of a strong wish to satisfy her needs but of a need to satisfy my own.

And then, suddenly, Lana was gasping, flailing, wildly tossing about, pulling my hair, raking her fingernails over my skin, calling out, “Yes, yes, yes! Oh! OH! OHHHHHH!” and she was coming, coming violently, coming ferociously, coming fiercely, coming like a person who hasn’t had a climax in many months.

Although, as beautiful and sexy as Lana was, I could hardly believe that was possible.

But obviously she was one hot mama.

down farther, farther, farther, but slowly as I could.

I was as eager as she was, and not just because our time was limited. I could smell the musky pussy fumes wafting up to me from Lana’s crotch, tempting my nostrils, teasing my brain, inflaming my libido, and taunting my pussy. I knew what waited for me: a womanly swamp, ripe with the juices of her heated passion and thick with the excitement that had swollen her tissues, dampened her valley, and heated her body to its full potential. I wanted it all! But yet—in spite of my desire and despite the fact that the time we could spend together was brief—I didn’t want to rush through our pleasures. I wanted to make us both wait for it, so that, when we had it, we’d appreciate it more.

And so I tongued my way down slowly, slowly, slowly as could be, through the thicket of auburn abundance, curly and coarse and rich with fragrant pussy-juices, down to the place where her vee-split started, down to where I could taste the acrid outpouring of horny juices, down through her musky valley, back to where her clit jutted out, proud and needful and eager for attention, begging me, “Touch me! Touch me! Touch me now!”

And, listening to its silent pleas, I did as it wanted and tongued her pointy promontory. As Lana swayed on unsteady feet, I licked between her wide-spread legs and

And then she had fallen back, collapsed, let go of me, relaxed, and was gasping as if she'd just run the one-minute mile.

But a minute later, she was sitting up, still winded, but a woman with an urgent mission: "Quick. We haven't much time. Let me do you. I have to be back in the pool in 10 minutes!"

I didn't argue. And I knew that, hot as I was, it wasn't going to take me any 10 minutes to get my satisfaction.

We didn't trade places; I just got on top of her, riding her face, and proffered her my pussy for her licking pleasure...and mine. Her tongue immediately snaked out, but instead of going straight for my clit, she first slithered up into my channel, up into my hole, as far into my depths as her tongue would reach.

So, Lana was a tease too!

After flicking at my canal for a minute or two, tantalizing the nerves that live there and making me even hotter without bringing me closer to climax, she finally took pity on me—or maybe she was merely mindful of the time—and brought her tongue to my swollen-as-a-cherry clitty.

Fervently licking her way back and forth, she quickly raised my fever to boiling and remained zeroed in on her target, my plump clit. Then she raised her hands to my breasts, found them by feel, and began to torment my two nips with her fingers as she continued to molest my clit with her tongue.

Rising quickly to an unprecedentedly quick orgasm, I ground down against her mouth, her nose, her cheeks, as I strove to get off. And in a minute I felt that I was almost there. Almost...her hands on my nipples...almost...her tongue raking over my clitty...almost...her body below me...almost...almost....ahhh!

Oh! Ah! Ohmigod! Ohjeez! Ohhhhhhhhhh! And there I was, cresting mere seconds after she had touched her tongue to my clit, but I had needed it so badly, had been so hot, had been so in want of this climax. Oh! Yes!

And then I flopped down on top of Lana, threw myself to her side and lay beside her...but she said, "I have to get going."

My mermaid was leaving me! I said as much.

"I'm not a mermaid," she laughed. "I'm a mere maid. A mere maiden. A maiden in distress...till you rescued me. I was soooooooo horny."

"You were horny? You were horny? One look at you and I was...."

I left the thought unfinished, but she got the idea. And she kissed me. "Stick around for the next show, and I'll meet you back here afterward."

There's just so much you can take of frolicking porpoises. But when you've got a mermaid like Lana waiting for you...well, it's amazing what you can put up with. Mere maid? I don't think so! I made her every way I could think of!

STELLA COX

I have to admit that I'm a bit of a homebody. When Ryan booty-called me in the afternoon, I said 'cum on over.' So I washed the dishes, vacuumed the floors, made the bed, and spruced myself up in my very best lacy lingerie. Throughout the day, I imagined it to be a pretty intense session in a long hot afternoon.

LENA PAUL

I don't mind telling people that I'm in the adult industry. When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. After I did a shoot or two, I got comfortable with a camera. All the guys early on in my career were very patient, so it was easy to relax and fuck them.

BAILEY BROOKS

This geeky guy was driving by and saw that I and my car were in trouble. I stopped him and he agreed to come over and help me get my car running again. Well, he got it working and I wanted to thank him. No, I don't think I should tell you how I paid him. You need to check out my hot video scene to find out!

STRAP-ON LESSONS

Two hot honeys pleasure each other

Last night was my eighteenth birthday, and it was the most incredible night of my life because I fucked my best friend, Heather. You see, Heather—she’s 18 too—stayed over at my house last night after my birthday party. Before we went to bed, we started talking about guys. I told Heather that I was scared about fucking a guy. Heather reacted by pulling a giant strap-on dildo from her backpack.

“Would you like me to teach you how to fuck for your birthday?” Heather asked. I nodded.

Heather came over to me as she took off her shirt. Now, I’ve seen Heather’s naked chest plenty of times. I mean, we’re best friends, and we’re always taking our clothes off in front of each other, so it’s no big deal. This time, though, when she peeled off her top, I felt different. A tingling went through my body as I admired Heather’s perfectly round breasts.

I continued to watch her strip. She threw her panties on the bed next to me, and I could see that Heather had creamed her underwear. I picked up the soiled pair of panties and sniffed them. The salty smell of Heather’s girl-juice really turned me on. My pussy started to make wet splotches of its own.

Finally, Heather stood in front of me wearing nothing but her strap-on. I giggled at the sight. “Come

here,” Heather said. Then she giggled too.

She pulled me close. Our lips met, and we began to swap spit. Her hot breath rushed into my hole while her tongue danced like a butterfly in between my lips. Kissing Heather was really different. It felt weird, but I liked it. As we kissed, I peeled off my shirt and Heather took off my shorts. Finally, the both of us were buck naked.

“Lie down,” Heather told me. As I did, she knelt on my bed and positioned herself so the rubber dong was right at my mouth. “First, I have to teach you how to suck a guy’s cock,” she declared.

Rocking her hips back and forth, Heather ran the rubber cock across my lips. At first, I allowed it to slide into my mouth and against the cushion of my cheek. But, as I got comfortable, I let it slide farther down and into my throat. Heather coached me as I sucked.

“Am I doing a good job?” I asked, raising my head for a moment.

“Oh, fuck, yes, you make me wish I was a guy,” she moaned. I could see streams of girl-juice flow from her pussy as I continued to suck off the fake cock. Meanwhile, Heather reached down to play with my pussy. It was strange feeling her hand down there, but her gentle caresses made my own juices come flooding out. Waves of pleasure rippled through my body as she patted my

swollen clitty. I couldn't take it any longer. "Fuck me like a guy," I demanded.

Heather stepped off my bed and onto the floor. Instead of slipping me the dildo, she knelt between my legs and buried her face in my hairy pussy. Her lips totally took in my love button, and she sucked on it. She mouthed my clitty so hard that the feelings she aroused in me made me flop around like a fish. However, as I convulsed around my bed, Heather's lips stayed right with me. Gawd, did it feel awesome!

Finally, Heather released the lip-lock she had on my pussy and stood up to press the dildo into me. She was having a hard time pushing it in, so I tried my best to relax. Slowly, the rubber dong slid in with a slurping sound. I felt my virgin pussy-walls expand and contract as Heather pumped in and out of me. There was so much juice it was like somebody had turned on a faucet. Within a couple of seconds, my pussy started to shiver with an orgasmic eruption. Heather's sex lesson ended with me having a great climax.

Thankful for what Heather had taught me, I wanted to give her something in return. I wanted to eat her pussy. Squatting down, I pulled the strap-on off her waist. I placed my lips on Heather's erect love button and sucked it into my lips, where I held it while I massaged her love stone with my tongue.

Heather moaned. She placed her hands on my head

and gyrated her hips into my face. "Tongue-fuck me," she ordered breathlessly. I jetted my tongue into her sloppy pussy. It was so awesome tasting another girl's juice, and Heather's pussy definitely tasted sweet. As my tongue explored her pussy, Heather screamed out, "Damn, your tongue is hot." I felt a stream of warm juices come flooding into my mouth. Heather screamed and pulled my head away from her pussy.

"Fuck me now," Heather insisted. "Keep me coming!"

I picked up the strap-on and put it on. Heather lay on my bed so her pussy was off the mattress. I stepped between her legs and aimed the dildo at Heather's love-hole. With one sure shove, the cock slurped into her pussy.

I slowly began pushing and pulling the cock in and out of her wet pussy. As I fucked her, the strap-on rubbed against my clitty. Rotating my hips, I found that I could also get off while I gratified Heather. I went faster and faster as I plunged the cock deep inside Heather's pussy. My third orgasm rushed through me as I screwed my hot friend who, by now, was screaming her head off because she was coming—big time!

Heather quickly climaxed. After both our orgasms subsided, we lay down on my bed and fell asleep, exhausted from fucking.

Heather is still sleeping as I write this. However, she'd better wake up soon. I think I need another lesson.
